

33. (New) The method of claim 5, wherein the instruction identifies the position of the tile.

34. (New) The method of claim 4, further comprising extracting information from the first electronic document.

35. (New) The method of claim 10, further comprising adding a tile depicting a change in the visual appearance resulting from the instruction to the inserted page of the first electronic document.

a4  
36. (New) The method of claim 11, wherein retrieving the tile includes determining whether the cover sheet is a first page or a final page, and selecting the tile based on this determination.

37. (New) The method of claim 5, wherein the instruction identifies a binding option and the tile obscures a portion of the first electronic document where pages of the assembled document would be bound.
